Directors' Report

To
The Members,
Christel House India, Bangalore

Your directors take great pleasure in presenting their report on operations along with the 15th Annual Report of the Company and the audited accounts for the year ended March 31, 2015.

Our Philosophy

"Give a man a fish and you feed him for a day. Teach a man to fish and you feed him for a lifetime." The wisdom of 12th century philosopher Maimonides is frequently quoted, but how often is it effectively put into action in the charitable sector? This philosophy has been Christel House's leitmotif from the beginning. The success of our children highlighted in this Annual Report demonstrates that Christel House works.

Our Mission

Christel House helps children around the world break the cycle of poverty, realize their hopes and dreams, and become self-sufficient, contributing members of society.

Our Vision

Christel House transforms lives by providing impoverished children with education, nutrition, health care and a nurturing environment, and by empowering their families and communities through outreach services.

Our Approach

Unlike most charities, 100% of the donations will fund programs directly benefiting the children of Christel House, and will not be used for administrative & fundraising overheads.

Review of Operations

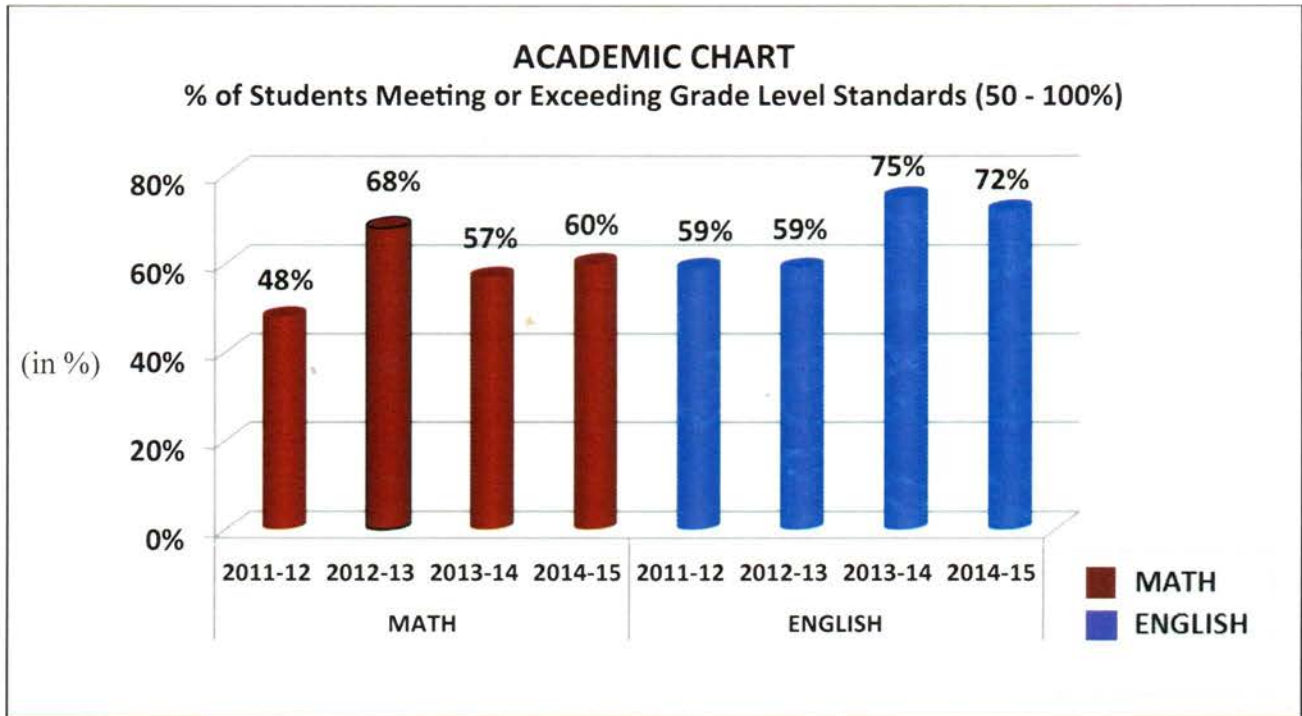

I. PROGRAMME OVERVIEW:

This is the 14th Academic year of the Learning Center and 1143 children benefit from the Christel House Program. The Learning Center's aim is to provide high quality education to children from the least privileged sectors of society. Great emphasis is given to achieving high academic standards by employing excellent teaching skills and following a rigorous academic program. Special efforts have been made to impart remedial lessons to those who are less proficient in academics. For the Academic year 2014-15, the attendance rate was 96.1% (Previous Year 96%) and the attrition is at 3.5% (Previous Year 4%).

1

Given below is the overview of the academic performance of grades 1 to 10 during the year under review as measured by internal tests and examinations.

Note:

The graphical representation is the % of students who scored over 50% in the examinations and tests. While the statistical data shows a slight improvement in the number of students scoring over 50% in Math, the actual skills of the students has improved. The English scores show a slight reduction in performance. This is because of the increase in the difficulty level of the internal tests and examinations. The scores in the board exam of grade 10, 11 and 12 and the ASSET standardized tests, show that our stricter internal grading has resulted in the students' performing better in the standardized tests and board examinations.

GRADE 10 - SECONDARY SCHOOL LEAVING CERTIFICATE (SSLC) RESULTS 2015

The SSLC results for this year showed a **97%** pass percentage with **64 of 66** students passing in the exam. The breakdown of the scores for the 66 students who appeared for the exam is as below:

Students have achieved a distinction (scored above 85%)	10 (15%)
Students have achieved a first division (scored between 60-84 %)	44 (67%)
Students have achieved a second division (scored between 50-59%)	7 (11%)
Students have achieved a pass (scored between 35-49%)	3 (4%)
Students fail	2 (3%)

Christel House SSLC pass percentage	97%
State SSLC pass percentage	82.8%
Pass percentage for Bangalore South district (Christel House comes under this district)	78.5%
Pass percentage of all private unaided schools	89.2%

GRADE 11 PRE – UNIVERSITY COLLEGE (PUC) RESULTS 2015

The PUC results have been quite good considering that the difficulty levels increase considerably in this class as compared with grade 10. **100%** of CHI students have passed in the 1st PUC board examinations conducted by the PUC Board in March 2015.

GRADE 12 PRE – UNIVERSITY COLLEGE (PUC) RESULTS 2015

Grade 12 results for this year showed a **98%** pass percentage with **53** of 54 students passing in the exam. The breakdown of the scores for the 54 students who appeared for the exam is as below:

Students have achieved a Distinction (score between 85-100%)	1 (2%)
Students have achieved a first division (score between 60-84%)	41 (76%)
Students have achieved a second division (score between 50-59%)	9 (16%)
Students have achieved a pass (score between 35-49%)	2 (4%)
Students fail	1 (2%)

Comparative data for Grade 12 Pre- University Board Exam 2015

Christel House Pre- university college pass percentage	98%
State pass percentage	60.5%
Pass percentage for Bangalore North district (Christel House comes under this district)	72.8%
Pass percentage of all private unaided colleges	73.2%

The students who have failed will be appearing for the re-exam in June 2015.

COMMON ENTRANCE TEST (CET) RESULTS

We also prepared the students after the board exams for the Common Entrance Tests for Engineering and Medicine. The classes were conducted during the summer vacation. This resulted in 21 students who appeared for the test qualifying for admissions to engineering and other professional courses under the government subsidized quota of seats. The details of college admissions will be available only after the counselling sessions in June & July 2015.

AZIM PREMJI UNIVERSITY

4 students qualified for entrance into the under graduate courses of Azim Premji University. All four students were given full scholarships including hostel facilities.

ASSET TESTING:

During the year 2008-2009, the Learning Center introduced ASSET Testing, a standardized test conducted by Educational Initiatives for grade 5 to 9 in Math & English. In the academic year 2009-10, we increased the scope of the ASSET test to cover grades 4-9 and also added Science as an additional subject for external assessment. In the ASSET test of December 2014, our students showed improvement in English and Science. The math performance declined because of weaker performance in Grade 9.

(ASSET Testing is India’s leading skill based diagnostic assessment for students from grade 3 to 10 conducted by Educational Initiatives India. Educational Initiatives offers assessment for learning services to help schools and governments to improve the quality of education. They work with approximately 1500 private English medium schools in India, the Gulf, Nepal and Singapore.)

ASSET TEST FOR 2014-15:

The comparative scores are below:

Standardized Testing Grades 4 to 9	2008-09	2009-10	2010-11	2011-12	2012-13	2013-14	2014-15	Remarks
English	61%	73%	73%	79%	87%	82%	83%	National Average =100%
Math	62%	70%	71%	76%	77%	85%	83%	
Science	NA	78%	79%	83%	87%	93%	95%	

READING PROGRAM:

The reading program introduced in the primary classes, powered by the phonic method of teaching reading, has proved to be a huge success. Grades K through 6 are reading either at or above grade levels. The other classes have also shown significant improvement in their reading skills. The reading rewards and recognition program which rewards “Best Readers” in each grade every term has proved to be successful in motivating our students to read. The Library is always full of children reading during the recess time.

SUMMER AND SATURDAY PROGRAMS:

During the summer holidays, we have been conducting special classes for the children who need learning support. This remedial education program helps the academically weaker students to get the extra input in Math, English, Hindi and Kannada. This support has helped students to improve their scores. This program has been integrated with the RTI (Response to Intervention) program.

We have also been conducting special coaching camps/workshops for PE, Music and Art.

REMEDIAL PROGRAM

From 2010 to 2015, Christel House India expanded the Remedial program to include all grade 10, 11 and 12 students, since these students needed to prepare for rigorous board exams at the end of grades 10, 11 and 12. This program allowed additional instructional support for these students.

In 2015, this resulted in a 97% pass rate in grade 10 board examinations, a 100% pass rate in Grade 11 and 98% pass percentage in grade 12. 42 students received first division and above in grade 12 and 54 students received first division and above in grade 10.

The Response to Interventional program (RTI) has been one of the successes of this academic year, especially in the lower school (K to grade 4). We employed 6 interventionists working with the teachers to identify gaps in learning and remediate the gaps immediately. This resulted in an improvement in the assessment for learning on the part of teachers. The proof of success of the RTI program is that the number of academically weaker students has reduced across the classes.

LEARNING SUPPORT CENTRE (LSC)

The Learning Support Center began operations in June 2011 with a team of professionals consisting of a psychologist and special educators, thanks to our benefactor, Mr. John Spence. Currently, the LSC is supported by a grant from Ms. Cindy Sowder.

In the last academic year (2014-15), students with academic difficulties were divided into three tiers based on level of deficiency. Tier I included children with slight difficulty who were supported by the classroom teachers in class. Tier II included children with significant difficulty who were supported by interventionists with push in and pull out support. Tier III included children with severe difficulty who were supported by special educators with pull out support. Approximately 25% of the students in the school receive special intervention in some form. The performance of the students is reviewed every month and the students availing the services may change depending on the need. There are 11 students who are in the pull out

program. Based on progress we have seen, CH India will be continuing the RTI program in a modified format to include other subjects in 2015-16.

We have 7 students who have been diagnosed as being severely challenged and who will find it difficult to cope with academic programs. We have a program to serve these students and look at equipping them with basic reading and writing skills.

CO-CURRICULAR ACTIVITIES:

Art and Media:

An exclusive Christel House Art Exhibition 'IMAGINATION' was opened at the Sublime Gallery (patronized by Prestige Group) in UB City.

We participated in the Bangalore Short Film Festival 2014 and 3 of our short films received certificates Mini Box Office.

- Film "Documentary on Corruption" – Received the Best Documentary Award and 'Certificate of Excellence'
- "Because I am a Girl" – Received a 'Certificate of excellence', under the category 'official selection'
- "Education Envision" – Received a 'Certificate of excellence', under the category 'official selection'

Sports: 15 students from Grades 6 to 7 participated in the DISTRICT Level (Under 14) Football match and our football players won all the matches at District level and moved forward to State Level Football match.

Music: We now have a choir both for Indian and Western Music. The Music program added ~~an~~ training for guitars, Violin and keyboard, thanks to a very generous donation from Ms. Kirsten DeHaan. The students are being trained in setting up the school band with keyboards, drums, and guitars. We will add other instruments as the students get skilled in using them.

WORK-STUDY PROGRAM:

The Work-Study Program was implemented for the first year in 2010-11 with the first batch of graduates from grade 12. 246 students from four batches of Grade 12 (2010-11, 2011-12, 2012-13, 2013-14) are currently enrolled into the Work-Study Program. The 5th batch of grade 12 students (2014-15) will join the work-study group in June 2015.

The Work-Study Program saw a change of name, it is now known as the CCP (College & Careers Program).

The Junior College & Careers Program was revived in the year 2014-15 and has 21 students now participating. This includes students who leave after grade 10 to join other courses as well as students who move to do Pre-vocational and vocational courses.

The JIVA program has been implemented as the career guidance and counseling program from the academic year 2012-13. This is a very detailed program made for Indian children. Three of the staff have been trained in the implementation of this program. In addition to the JIVA program, we use the Life skills program from NIMHANS as well as inserts from the Student Success Planner to enhance the College and Careers Program. The JIVA program is being implemented from Grades 5 to 12. This has been a very successful program and records of the children have been maintained by the counselors who implement the JIVA program.

II. HEALTH AND WELLNESS PROGRAMME:

The Learning Center provides all students with breakfast, lunch, evening snacks with a glass of milk and a glass of juice in the morning on all working days. The quality, hygiene and nutritional value are checked by a committee of staff, students and management on a regular basis. Regular modifications and additions to the diet are implemented by the committee members. The Learning Center follows the WHO guidelines in its medical program.

A summary of the number of students who received medical services during the year as follows:

Since the majority of our children do not have access to clean water or proper sanitary facilities in their home communities, we have a bathing and laundry facility at the Learning Center's campus exclusively for the students. As a result, all students have a shower twice a week and their uniforms are laundered and returned to them.

We would like to specifically acknowledge and thank the continued generosity of Mr. John Spence, Chairman of Karma Royal Group, whose unstinted support ensures an excellent food and nutrition program. Mr. Spence's generosity has provided over 6 million meals to our students to date.

We would like to also thank M.S. Ramaiah Hospitals and Medical College for the subsidized medical services provided to our students.

We place on record our gratitude to Dr. Issac Mathai of Soukya Foundation for his continued support by providing free Homeopathic treatment to all students.

III. COMMUNITY OUTREACH:

Health and Sanitation Programs in the Communities: Children from multiple grades formed teams in their respective localities and launched a sanitation program along with parents and community leaders. The group led by the parent representatives and the children of the senior grades engaged in a strong advocacy program for sanitation and health in their communities and coordinated and communicated with the government authorities.

Wealth from Waste: Grades K-8 Students reused and recycled material and learnt the importance of conservation of and recycling of materials including e-waste. They planned and implemented the Wealth from Waste Program and created all the props for the annual day program out of waste materials.

Visit to Old Age Homes, Orphanages etc. by grades K-4 students took place and children performed for the inmates and learnt lessons in compassion, caring and sharing.

Financial Literacy Programs: - A financial literacy program was implemented focusing on money and savings in grades 7-12. The students of grade 12 researched the topics and created posters etc., to display in the communities. Financial awareness was also imparted to students from grade 6 onwards with the support of the students from grade 11 and 12.

IV. VOLUNTEER PROGRAM:

The Learning Center has a robust volunteer program to help improve the academic performance of the students. We thank all the volunteers and the volunteer organizations that helped us in this program.

V. FACILITY / INFRASTRUCTURE:

The Learning Center has a total built area of 74,000 Square feet to house 31 classrooms from Kindergarten to Grade 12. This facility also includes Physics, Chemistry & Biology Labs, Junior & Senior Technology Hub, Junior & Senior Library, A.V. room, Teacher Resource room, Staff room, Art & Music room, Medical room, Special Education room, Dining Hall & Kitchen, Bathing and Laundry facility and the Administration area.

During the year, the Learning center added an Open Air Auditorium of 8000 Sq Ft, a Language Lab and an office for the Upper School Principal of 2000 Sq Ft. The open Air Auditorium will provide the much needed additional space to the students to develop their extra-curricular skills, cultural performances, art, music, dance etc., The language Lab will significantly assist the students in improving language skills.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Christel House India, Bangalore**

Report on the Financial Statements

We have audited the accompanying financial statements of **Christel House India, Bangalore** ("the Company"), which comprises the Balance Sheet as at March 31, 2015, the Statement of Income and Expenditure for the year ended, and the Cash Flow Statement on that date annexed thereto and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls systems over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet, the Statement of Income and Expenditure and the Cash flow Statement together with the notes thereon and annexed thereto give in the prescribed manner, the information required by the Act, and also give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) In case of the Balance Sheet, of the State of affairs of the Company as at 31st March, 2015; and
- (ii) In case of the Statement of Income and Expenditure, of the Deficit, i.e Excess of Expenditure over Income for the year ended on that date.
- (iii) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) The Balance Sheet, the Statement of Income and Expenditure and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - c) In the basis of written representations received from the directors as on 31 March, 2015, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2015, from being appointed as a director in terms of Section 164(2) of the Act.

CHRISTEL HOUSE INDIA, BANGALORE

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDING 31st MARCH 2015:

A. Organization

Christel House India (the company) is set up as a company under The Companies Act 1956 and is registered as a Not – for – profit organization under Section 8 of the Companies Act 2013 (formerly Section 25 of Companies Act 1956). The Company is established to provide education and other facilities such as health care, nutrition, basic values instilment, etc., to orphans, abandoned and under- privileged children.

B. Significant accounting policies:

1. Basis of Preparation

a) Basis of Preparation

The financial statements are prepared under the historical cost convention and evaluated on a going concern basis and are in accordance with the generally accepted accounting principles and according to the Accounting Standards as notified under the Companies (Accounting Standard) Rules 2006 to the extent applicable.

b) Use of Estimates

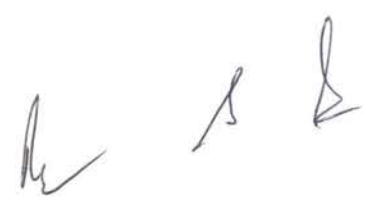

The preparation of the financial statements in conformity with Indian GAAP, requires the management of the Company("Management") to make estimates and assumptions that affect the reported amounts of revenue other than Donations/Contributions and expenses of the year, reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2. Fixed assets:

Fixed assets which are acquired are stated at cost, less accumulated depreciation. Cost of acquisition of fixed assets is inclusive of duties and taxes and other incidental expenses, which are directly related to the acquisition of the assets & bringing the assets to its working condition for the intended use. The Fixed assets which are received as donations are recorded at nominal value.

3. Depreciation:

Depreciation on fixed assets is provided on Straight Line Method on pro-rata basis over their estimated useful lives as prescribed in Schedule II to the Companies Act 2013.

Three handwritten signatures in black ink, located at the bottom right of the page. The signatures are stylized and appear to be initials or names.

4. Revenue Recognition

- a. Donations/contributions other than (b) below, are recognized on its ultimate collection.
- b. Voluntary services, in the nature of honorary services are not ascribed any values and are not recorded. Donations received which are in the nature of fixed assets, other than Land, for the company is recorded at a nominal value.
- c. Interest incomes are recognized on time proportion basis.
- d. Incomes from other fund raising activities are accounted on accrual basis.

5. Foreign Currency Transactions

Transactions in foreign currency are recorded at exchange rates prevailing on the respective dates of the relevant transactions. Exchange differences in respect of all monetary assets and liabilities denominated in foreign currency are restated at the rates ruling at the year end and all exchange gains/losses arising there from are adjusted to the Statement of Income & Expenditure.

6. Employee Benefits

Regular contributions are made to provident/ other funds. Post-employment benefit of Gratuity is recognized as an expense to the extent of Contribution made towards gratuity for Company's Employees to Gratuity Trust managed by LIC.

As per the Leave encashment policy of the company, the leave salary being a short term benefit is provided for eligible employees on actual basis.

7. Impairment of assets

At each Balance Sheet date, the Company reviews the carrying value of tangible and intangible assets to assess, if there is any indication of impairment based on internal/external factors. An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or estimated future cash flows which are discounted to their present value based on appropriate discount rates.

8. Provisions and Contingent Liabilities

A provision is recognized when an enterprise has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure to this effect is made in the financial statements.
