A five-year strategic plan to serve more children

Dear Patrons and Friends,

We wish to convey our sincere appreciation for your steadfast support to Christel House India. With humility and immense pride, we present the remarkable achievements of another fulfilling year in our mission to care for and bring about a meaningful difference in the lives of underserved children in India. At the onset, we are delighted to announce that our students' determination led to a remarkable 100% pass rate in the Grade 12 Boards, with each of them achieving either a first division or distinction. This accomplishment stands as a testament to your partnership and generosity, as well as the unflinching dedication of our teachers and staff.

As we reflect on the academic year 2022-23, we take pride in reporting several significant milestones that have shaped our journey. Our students actively participated in various academic and co-curricular activities, achieving notable successes in sports, including the Christel House girls' victory in the U17 football tournament at the Bangalore District and Karnataka State Levels. The students exceptional display of talent in the sphere of sports, arts, music, besides the academic areas, made us truly proud.

Beyond academic and co-curricular excellence, Christel House India is committed to pioneering innovative platforms that empower our graduates to achieve their dreams. The recent launch of the External Internship Trainings and Development Program proved to be a game-changer. This initiative offered valuable internship training opportunities to 104 graduates and that helped them develop technical and non-technical skills through a structured holistic program which equip them to be work-ready. The transformative impact of this program is exemplified through the inspiring stories featured in this Annual Report.

Community empowerment is an integral part of the Christel House India model. In expanding our outreach efforts, we successfully established Self-Help Groups through Mothers' committees and have helped our student families enroll in various government welfare schemes including Ayushman Bharat Arogya Scheme. Fostering an enduring and meaningful change, this initiative not only transformed the lives of our students' families but also had a positive influence within their community.

To address the growing demand for the 'Christel House model,' we are actively exploring opportunities to work beyond our current state boundaries and reach many more deserving and underserved children and their families across the nation. While ambitious, we remain hopeful that this expansion will enable us to fulfil the vision of our late founder, Ms. Christel DeHaan, and positively transform countless more lives.

Our 2022-23 Annual Report showcases inspiring student success stories, achievements, and the completion of our new school facility in Atal Nagar, among other highlights. We deeply appreciate your infinite generosity and continued partnership in our mission to bring about transformative changes in the lives of countless underserved individuals. Your unwavering support remains pivotal to us, and we look forward to our continued collaboration - confident that, together we can make an even greater impact in the communities we serve.

With heartfelt regards,

Jaish C Mathew
CEO
Christel House India

CHRISTEL HOUSE CONTRIBUTES TO EIGHT OF THE UNITED NATIONS SUSTAINABLE DEVELOPMENT GOALS:

Sanditha, a 12th grader at
Christel House India.

A vision to change life outcomes

Christel DeHaan had a vision – to give children experiencing poverty “a seat at the table of life.” Gabriel Oropeza, former President of the Latin American division of Christel’s company, RCI, and now Board Chair at Christel House Mexico, remembers how it began. “After she sold RCI, I introduced her to the coordinator in charge of poor orphans and abandoned kids. I asked Christel for a cheque to help these kids. Christel came back not only with a cheque but with a new mission in her life – transform the lives of disadvantaged kids through education. That was Christel – a transformer of lives.” In 1998, Christel DeHaan founded Christel House International.

Empowering students to break the cycle of poverty

Christel knew for children to break the cycle of poverty they needed access to a strong education and the necessary supports to succeed. The Christel House holistic model focuses on “the whole child.” Christel House doesn’t just educate, or provide nutritious meals, or provide health care – Christel House does all of these things plus character and citizenship education, family assistance, and career support. The comprehensive model starts the day students enter Christel House and continues for five years after they graduate from high school – up to 18 years for each child!

“The obstacles facing Christel House students are daunting. But every day our students come to school, learn, and set their sights on a better tomorrow. They are breaking through the barriers of poverty to build a new and better life for themselves and a future for their families. They are our heroes, and role models for others to follow.”

- Christel DeHaan
(1942-2020)

Children of Christel House India – Atal Nagar.

Since Christel House's founding, **19,385 students** have been served at nine schools around the world in **India, Jamaica, Mexico, South Africa,** and the **United States.** Christel House gives students who need the most help the best chance.

Atal Nagar

Christel House Atal Nagar Unveils New High School Building, Welcoming Grade 9 Students

Christel House Atal Nagar commenced the academic year in June 2023 with a remarkable milestone—a state-of-the-art high school building. The construction of this contemporary facility, which commenced in 2021, boasts cutting-edge classrooms, laboratories, and open learning spaces designed to foster an environment of excellence in teaching and learning.

The Government of Chhattisgarh, through Nava Raipur Atal Nagar Vikas Pradhikaran (NRANVP), has been instrumental in supporting the school's development by funding the construction and providing essential resources. Students and teachers are excited about the new building, which offers unparalleled opportunities for transformative learning experiences. "We extend our sincere gratitude to the Government of Chhattisgarh and Nava Raipur Atal Nagar Vikas Pradhikaran for their unwavering commitment in offering high-quality and high-impact education to the underserved children in Atal Nagar," says Jaison C Mathew, CEO, Christel House India.

Among the eager students awaiting to use the new facility is Mahi from Grade 9, as she anticipates the myriad of activities she will engage in, henceforth. Christel House Atal Nagar is looking forward to witnessing its students thrive in their new and improved environment and soar to new heights in both their academic and personal achievements.

Changing Life Outcomes

Christel House India
Graduation Ceremony 2023.

Academics

Holistic Education has always been the pathway to fulfilling life aspirations. Christel House starts with a strong Kindergarten - Grade 12 curriculum. We provide our students with all the resources they need to succeed in life, including dedicated teachers, high-quality resources, character and citizenship development trainings and modern facilities. As a result, not only do our graduates attain academic success, 99% of them pursue higher education and professional courses.

The 2023 Grade 12 Board exam results brought exciting news for Christel House India. The commitment and perseverance of both our students and teachers culminated in an astounding 100% pass rate for the school. All our students passed with first division and distinction-- 44 of them secured high distinctions, 26 secured first divisions. This remarkable achievement surpasses the state's total pass rate of 74.6%. Christel House India has always prepared our students toward excellence. We believe that a holistic education is the key to ensuring a meaningful and sustainable future.

G R A D U A T E

Manoj
2023 Graduate
Pursuing BSc Computer Science &
Entrepreneurial Leadership
Ashoka University

Poised to pursue a university degree at Ashoka University, Manoj has become a trailblazer in his family and community, breaking all barriers. Considering his humble background, Manoj acknowledges that the opportunity to attend the prestigious institution was beyond his imagination. "It is only because of the steadfast support of Christel House that I could dare to dream the impossible."

S U C C E S S

Tania Mercy
2023 Graduate
Pursuing BBA LLB
St Joseph's College of Law

Starting as a kindergartner at Christel House to being a Grade 12 topper, Tania Mercy is now eagerly awaiting the commencement of her bachelor's degree journey. Expressing her profound appreciation, she emphasised – "I come from a very modest background, and had it not been for Christel House, I wouldn't have had the opportunity to receive high quality education, and thrive in such a nurturing environment."

Character & Citizenship Development

Christel House India Student Leadership Team of 2022-23 with the School Principal and Deputy Principals.

Student leaders set example for younger classmates

Strength of character and citizenship is as important as academic achievement. Christel House Character Development Program is designed to instill independence, integrity, social responsibility, leadership and citizenship. To be selected for the Leadership Team is an honor and a commitment. The students provide support to teachers and serve as role models to their peers. "As the leadership team we lead by example, upholding the values of Christel House," says Monalisa M., Head Girl.

Revathi S.
2015 Graduate
Clinical Programmer
Novartis

As a child, Revathi faced many family issues including her mother's passing. "I always considered Christel House my home. It molded me into a strong and successful person." An interest in Biology and Mathematics led her to an Honors degree in Biology and a master's degree in Biotechnology and Bioinformatics.

Ramya
2011 Graduate
Computer Science Teacher
Christel House India

Expressing her deep gratitude for the opportunity to return to school that shaped her, Ramya says, "I will forever cherish the invaluable support I received at Christel House India, which involved among other things – a nurturing environment. The impact of this on my life is immeasurable."

Nutrition

Siddiqua enjoys lunch with 6th grade classmates in the Christel House India cafeteria.

A nutritious breakfast, lunch, and healthy snack each day

Children can't learn if they're hungry. Before the school day gets underway, every Christel House student, like Unish (at right) receives a nutritious breakfast. "Quality Health and Nutritious food is an integral part of the Christel House model without which a child from a severely underserved community cannot participate in the process of learning," says Beschi Amalarasu, Senior Manager Social Service Department, Christel House India. Over 80% of a student's daily nutritional needs are provided at school.

Unish starts his day with breakfast.

Prathap S.
2013 Graduate
Process Developer
Genpact

Prathap says growing up was a challenge due to extreme poverty. "But I have crossed that challenge by acquiring a quality education at Christel House." He describes being "job-ready" thanks to the College & Careers program. "This might sound cliché, but my entire journey at Christel House was an unforgettable one."

Salomi
2017 Graduate
Senior Process Executive
Cognizant India

Salomi joined Christel House at the age of 5. At home, she witnessed hardships while growing up. She now works at Cognizant. "Joining Christel House was the turning point in my life that eventually granted me financial independence and respect in the neighbourhood" she adds.

Ajay receives his annual medical check-up.

Health Services

Keeping Ajay healthy lets him focus on learning

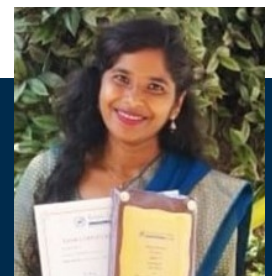

Christel House prioritizes comprehensive healthcare for all its students, offering preventive and curative medical services including hearing, vision, dermatology, dental care, immunizations and follow up treatments through its network of hospital partners. That's good for Ajay (above) as he receives his annual medical check-up. In addition to regular check-ups, students actively participate in awareness sessions focusing on safety, hygiene, and overall well-being, which are particularly significant for them. Ravindra Kewat, Social Service Incharge at Christel House Atal Nagar, explains that due to parents' lack of awareness, it becomes crucial for the school to intervene and address students' physical and mental well-being while also ensuring they receive all essential care. These initiatives not only lessens the burden on parents but also guarantees the health and safety of the students.

Christopher
2011 Graduate
Technical Lead
HPE

Christopher graduated from Christel House India in 2011 and earned a Computer Application degree. He is now a Technical Lead at HPE, and credits Christel House for his success. He adds - "Since the day I started earning I have relieved my parents of financial struggles." It has been a defining moment for them all when he and his family moved to a better neighbourhood and a spacious home.

G R A D U A T E S U C C E S S

Sylvia
2015 Graduate
Biotechnologist
Indian Institute of Science

Sylvia works in India's top ranked science and research institute as a project associate in the Molecular Biophysics Unit. She credits the Christel House College & Careers program for the financial support and career guidance she received as she pursued her Biology degree and Masters in Biotechnology.

Lakshmi K., Grade 12.

College & Careers

Students start early developing their career plans

With Christel House College & Careers guidance, Lakshmi K., Grade 12, a Christel House student since Kindergarten, already has her post-Christel House India plans set. She's going to pursue a degree in Commerce while simultaneously working on her Chartered Accountancy exams. "My teacher helped me identify my interests and strengths." At Christel House, we have established a structured Career Guidance Program that is implemented from middle school onwards. This program is designed to aid students in exploring their potential and interests based on their individual abilities. "Through personalized mentoring and continuous progress tracking, we equip our students with a well-defined career plan before they graduate," informed Praveena S, Coordinator, College and Career Program, at Christel House India.

Shoba S.
2016 Graduate
Engineer
Larsen & Toubro

Shoba's family faced financial hardship as she was growing up. "I will be forever grateful for the quality education, nutritious diet, and moral support that Christel House provided." She attended college and earned a degree in computer science engineering. "Every moment spent at Christel House is a beautiful memory I'll cherish all my life."

G R A D U A T E S U C C E S S

Saleem A
2017 Graduate
Stores and Facility Executive
Christel House India

Saleem completed his graduation and made the choice to return to Christel House as a stores and facility executive. He expressed his deep appreciation for the life-changing impact the Institution had on him, stating, "Christel House transformed my life. As a mark of gratitude, I want to give back in a meaningful way."

Vivek gets a career head-start before high school graduation

Vivek is a living proof of resilience and triumph, as he faced and overcame numerous challenges during his extraordinary journey to success. The struggles his parents endured had a profound impact on him. But now he finds deep gratitude in being able to support them.

Presently employed at Grant Thornton, Vivek credits Christel House for playing a pivotal role in shaping his promising future. His teachers at school were his change-agents and guided him from being a shy student to becoming the Head Boy. "They consistently encouraged me to enroll in additional courses, which not only bolstered my resume but also enhanced my skill set," Vivek says about the School's College and Career program that equipped him with invaluable life skills and prepared him for university.

Vivek's narrative serves as a validation of the transformative power of compassion, support, and academic opportunities, which enabled him to conquer obstacles and thrive in both his personal and professional endeavors.

Vivek
2019 Graduate
US Tax Analyst, Grant Thornton

Keerthi Rajashekar
2017 Graduate
Advance Tax Analyst
EY

Keerthi, a 2017 graduate, looks back on her challenging past before enrolling at Christel House, which became a beacon of hope for her single mother. "It was a privilege to be in a nurturing environment and be valued and supported" Keerthi says. She adds that the comprehensive education programs and extracurricular activities at Christel House equipped her to pursue her dreams.

Bharath
2018 Graduate
Sound Engineer
Hamsalekha Studio

Bharath grew up in a single parent home. "Christel House was like home, where the teachers took care of me like their own child," he says. With a passion for music, Bharath credits the college and careers program at Christel House for guiding and helping him choose a career as a Sound Engineer.

College & Careers

(L-R) Nagashree and David presenting their model at VTU Belagavi.

Christel House Graduates Win Accolades for Clinical Innovation

David and Nagashree from our 2019 batch topped the 2022 Karnataka State-level competition with their clinical innovation focused on women's health during dysmenorrhea. Their model garnered global attention, with presentations at prestigious summits hosted by IIT, West Bengal, and NIT, Tiruchirappalli, where they secured 2nd place.

Supported by the Karnataka State Government, the therapeutic treatment belt developed by David and Nagashree offers relief and improves blood flow during the menstrual cycle, along with providing posture support. This innovation proves particularly advantageous for individuals engaged in prolonged work hours. The prototype is on track for completion by August 2023 and will be subject to patenting.

Currently, David has secured employment after his successful internship, while Nagashree intends to pursue higher studies.

Mary Joy
2014 Graduate
Primary School Teacher
Christel House India

Mary believes the opportunities and support she got at Christel House made her the person she is today. She affirms, " My aspirations to become a teacher, driven by my desire to share knowledge, was realised at Christel House. I take great pleasure in shaping lives and contributing to the development of students here. Just like what Christel House did for me."

Yuva Vinith Kumar
2018 Graduate
Process Executive
Cognizant India

There is no looking back for Yuva now! Working for one of the top global IT companies in Bangalore, his days of struggles are far behind. And for good.

"It was with the support of Christel House that I was able to complete my Bachelor's degree in Science." He credits the Christel House College & Careers Program for assisting him with the opportunities that transformed his life.

Family Support

Introducing The Christel House Mothers' Committee & Community Health and Wellness Programs.

Empowering student families is pivotal to the Christel House model which is validated through a range of community outreach programs. These initiatives encompass diverse spheres like positive parenting, financial literacy, pre-natal and post-natal care, health and hygiene and de-addiction. The impact of these programs on the well-being of the community members has been remarkable.

The Social Services Department at Christel House took a step further by establishing self-help groups in the form of the Mothers' Committee. This committee aims to provide sound financial advice and encourage mothers to achieve financial freedom through small savings. Additionally, the Mothers' Committee intends to forge a strong partnership with Christel House in promoting the overall development of their children. As a part of this endeavor, Christel House will offer essential training and capacity building to the mothers involved, empowering them to be catalysts of change within their communities.

According to Beschi Amalarasu, Senior Manager Social Service Department, Christel House India, this initiatives will also cultivate a positive ripple effect, fostering transformative progress within the entire community.

Suji & her brother Sharan with their mother Vijayalakshmi.
