

CHANGING LIFE OUTCOMES.

Expanding our reach while strengthening our foundation, Christel House is preparing to serve more students than ever before. From classrooms to life, we are creating lasting impact for generations to come.

2025-26 ANNUAL REPORT

TRANSFORMING LIFE OUTCOMES FOR MORE STUDENTS

Dear Friends and Supporters,

Over the past year, Christel House India continued to demonstrate what is possible when purpose is translated into action and children are given not just access to education, but the opportunity to thrive with dignity, support, and hope.

As I reflect on the last year, I do so with deep gratitude for the many hands and hearts that made this year possible. Every achievement we celebrate belongs to the collective commitment of our students, educators, families, Board members, donors, and supporters who continue to stand with us in our mission.

This year marked an important chapter in our growth. We inaugurated our third school in Pune in April 2026 and our fourth school in Thane in June 2026. These milestones are more than additions to our network. They are gateways to opportunity for children and families who deserve access to possibility, stability, and hope.

At full capacity, these two campuses will serve up to 3,900 students together, widening the circle of impact and strengthening the communities around them. For us, expansion is not about opening schools, it is about extending opportunity, strengthening communities, and breaking the cycle of poverty, allowing children to believe that their future can be different.

Inside our classrooms, our students continued to show what becomes possible when talent is nurtured with care and consistency. For the 8th consecutive year, our Grade 12 students achieved a 100% pass rate in the Board Examinations, with more than three-quarters securing distinction grades. This is not just an academic result. It is a reflection of perseverance, discipline, and the quiet determination of young people who have worked hard to shape their own futures.

Among the many inspiring moments this year was Shalini's achievement of securing the Karnataka State Third Rank in Grade 12. Her success is a powerful reminder that when children are given the right support and the freedom to dream, excellence can emerge in remarkable ways.

We were equally proud to see 3 girls from Christel House Bangalore represent Karnataka in the Under-13 Asmita National Football League and return as national champions. Their victory speaks not only to sporting excellence, but also to courage, teamwork, and the confidence to compete on a national stage.

As we look ahead to Christel House India's 25th year, our purpose remains unchanged: to walk alongside every child from classroom to college, careers, and a life of dignity and independence.

None of this would be possible without the steadfast belief of those who invest in our mission. We are grateful to our donors, the Pune Zilla Parishad and the Thane Municipal Corporation, for their deep-rooted commitment, to ensure quality education for every child from the underserved communities we serve. Your partnership helps turn potential into achievement, and achievement into lasting change.

With gratitude and renewed conviction, we remain committed to building futures that are brighter, stronger, and full of promise.

Jaishankar C Mathew
Chief Executive Officer
Christel House India

18+ YEARS OF SUPPORT

By providing a comprehensive support system that extends beyond the classroom, our students have achieved remarkable success, rising above their life circumstances, and breaking the cycle of poverty. Christel House's steadfast commitment to every child's long-term success is creating lasting and generational change.

CHRISTEL HOUSE PUNE

ESTABLISHED IN 2026

CHRISTEL HOUSE THANE

ESTABLISHED IN 2026

CHRISTEL HOUSE THANE

Every new Christel House campus begins with a building, but its true purpose is realized in the lives it transforms. This year, Christel House India reached another significant milestone with the opening of its 4th school in Thane, welcoming its first cohort of 180 students from kindergarten to Grade 2.

The launch represents far more than geographic expansion. It is the result of a visionary partnership with the Thane Municipal Corporation, demonstrating how collaboration between the public and private sectors can create meaningful opportunities for children from under-resourced communities. Together, this partnership is laying the foundation for thousands of young learners to access an education that has the power to reshape their futures.

Set on a modern, purpose-built campus, the school will grow one grade at a time until it serves more than 1,200 students from KG to Grade 12. Every child will benefit from Christel House India's holistic model, which combines quality education with nutritious meals, healthcare, character development, family engagement, and long-term College & Careers support, empowering students well beyond the classroom.

For the families who walked through the school gates on opening day, this June, it was the beginning of a new journey filled with hope and possibility. For Christel House India, it marks another step towards fulfilling its mission of breaking the cycle of poverty through education, ensuring that more children have the opportunity not only to learn, but to thrive and build brighter futures for themselves and generations to come.

From the Left Mr. Jaison C Mathew, CEO of Christel House India; Mr. Saurabh Rao, Municipal Commissioner of the Thane Municipal Corporation; Mr. Sachin Sangale, Deputy Commissioner of the Thane Municipal Corporation during the MOU signing of Thane Municipal – Christel House School.

CHRISTEL HOUSE PUNE

Christel House India marked a defining milestone with the launch of its 3rd School, the Jyoti Savitri Zilla Parishad School, operated by Christel House India, in Khanavadi, Pune. This landmark public-private partnership with the Pune Zilla Parishad reflects a shared commitment to expanding access to high-quality, holistic education for children from under-resourced communities while honouring the enduring legacy of Mahatma Jyotirao Phule and Savitribai Phule, pioneers of inclusive education.

The school welcomed its inaugural cohort of 260 students from kindergarten to Grade 2 in April 2026. Set on a 12-acre campus, the school features modern classrooms, science and computer laboratories, activity spaces, and child-friendly infrastructure designed to foster curiosity, confidence, and lifelong learning. As new Kindergarten cohorts are added annually, the programme will steadily grow to support 2,640 students, including continued guidance through higher education and early careers.

More than a new campus, Pune School represents the power of collaboration. The initiative brings together the Government of Maharashtra, Pune Zilla Parishad, FIAT India Automobiles Pvt. Ltd., Pensive Architecture, the Khanavadi community, and Christel House India to create lasting educational opportunity for children who need it most.

Built on Christel House India's proven 360-degree model, students will receive not only quality education but also healthcare, nutrition, Character development, citizenship education, and College & Careers support. Together, these interventions will equip every child with the knowledge, confidence, and opportunity to build a brighter future and create meaningful change within their communities.

From left: Smt. Sunetra Pawar, Deputy Chief Minister of Maharashtra; Shri Devendra Fadnavis, Chief Minister of Maharashtra; and Mr. Jaison C Mathew, CEO of Christel House India, during the inauguration of Jyoti-Savitri Zilla Parishad School Operated by Christel House India.

CHRISTEL HOUSE ATAL NAGAR

Christel House Atal Nagar (CHAN) continued to create opportunities that inspired students to think beyond the classroom and engage with real-world challenges. As the school prepares its first Grade 12 cohort for Board Examinations in 2027, students embraced experiences that broadened their aspirations and strengthened their readiness for the future.

Career exploration programmes, leadership initiatives, STEM festivals, educational excursions, and the CHAN Speaker Series encouraged students to question, innovate, and discover their potential. These experiences culminated in a proud national achievement when 2 of our Grade 8 students were selected for the Government of India's prestigious INSPIRE MANAK Award for their innovative biotechnology-based solution to support forest restoration. Their selection recognised not only scientific curiosity, but also their ability to apply classroom learning to address pressing environmental challenges.

Across academics, the arts, sports, and innovation, students continued to demonstrate confidence, creativity, and leadership. Whether exploring future careers, mentoring younger peers, or representing the school on regional and national platforms, Atal Nagar students are steadily building the knowledge, character, and ambition to become thoughtful changemakers in their communities.

CHRISTEL HOUSE BANGALORE

Christel House India's journey began in Bangalore in 2001 with 320 students. Today, the campus serves more than 1,000 students from Kindergarten to Grade 12, reaching children from 28 urban under-resourced communities. At full capacity, including students supported through higher education and career pathways, it will serve up to 1,890 students, extending opportunities well beyond the classroom.

Christel House Bangalore follows a holistic approach to education, combining academics with character development, wellbeing and long-term College & Careers support. Its impact is reflected in the achievements of its graduates, who are building careers with leading organisations including IBM, Infosys, Deloitte, Accenture, Amazon, HSBC, TCS, KPMG, EY, J.P. Morgan, Wipro, Siemens, Cognizant, Deutsche Bank, Target Corporation, Nokia, L&T, HCL, Northern Trust Bank, ANZ, IQVIA, Salesforce and IndiGo Airlines, as well as international organisations such as Transguard Group, Princess Cruises and Jumeirah Creekside Hotel.

The results speak for themselves: 99% of students have enrolled in tertiary education over the last five years, while 90% of alumni have achieved upward socio-economic mobility. Behind these numbers are stories of ambition, perseverance and possibility, with each graduate representing a transformed future, a strengthened family and a step towards breaking the cycle of poverty through education.

CHANGING LIFE OUTCOMES: ALUMNI SUCCESS STORIES

The success of our graduates embodies our mission. Their stories are an inspiration for all.

SHALINI S

Christel House India
Class of 2026

State Rank Holder | Future Chartered Accountant

For Shalini, education has always been closely tied to the hope of creating a better future for her family. A student at Christel House India since kindergarten, she remained deeply committed to her studies even during difficult moments at home. While preparing for her Grade 12 board examinations, her mother's illness brought uncertainty and emotional strain, but the encouragement she received from her family and the support systems at Christel House helped her stay focused. Her dedication and consistency led to an extraordinary achievement — scoring 99.6% and securing Karnataka State third rank. Today, Shalini is preparing to pursue Chartered Accountancy, continuing a journey shaped by resilience, determination, and aspiration.

"It was a difficult period, but the support around me helped me stay focused and continue believing in what was possible."

JAYALAKSHMI S

Christel House India
Class of 2021
Research Intern —
Government Hospital

Encouraged by her teachers to pursue her passion for science, Jayalakshmi went on to study Biology with Psychology at KREA University after graduating from Grade 12 at Christel House. She is now interning at a government hospital, where she is contributing to typhoid vaccine research that supports public health.

ASHA T

Christel House India
Class of 2015
RMO (Assistant Physician) —
Amaha Hospital

As the eldest of four siblings, Asha feared that pursuing a career in medicine would place a financial burden on her family. With a scholarship from Christel House, she was able to pursue her medical degree. Today, she serves as an Assistant Physician at Amaha Hospital and aspires to make quality healthcare more accessible to rural communities.

BLESSY E

Christel House India
Class of 2022
Trainee — Buying Operations,
Saks Global

Blessy turned opportunity into a future filled with promise. "Christel House prepared me not just for a career, but for life. It gave me the confidence, skills, and opportunities to support my family and build a brighter future."

CHANGING LIFE OUTCOMES: ALUMNI SUCCESS STORIES

MARY CAROLINE

Christel House India

Class of 2017

PhD. Scholar, CMR University

When Mary Caroline graduated from Christel House India in 2017, she left with more than an education. Inspired by teachers who mentored and believed in her, she discovered a passion for supporting others. This led her to pursue psychology, with the goal of helping students thrive academically and emotionally.

After serving as visiting Faculty at Chanakya University, Mary is now pursuing a PhD in Positive Psychology and Counselling at CMR University. Reflecting on her journey, she says, "Everything I learnt at Christel House taught me the importance of believing in people. Today, that is exactly what I strive to do for every student I teach."

NEELAM SAKRI J

Christel House India

Class of 2020

Character Development Facilitator

"Christel House gave me more than an education—it gave me the belief that I could shape my own future. Today, as a teacher, I strive to nurture not only knowledge but also courage, kindness, and self-worth in every child I teach."

VIMAL RAJ

Christel House India

Class of 2012

Fraud Prevention Manager –
Myntra

"Considering my family's financial background when I was growing up, I am very certain I would not be the person I am today without the foundation of Christel House."

PAVITHRA M

Christel House India

Class of 2020

Grant Thornton Associate

Pavithra felt warmth when she started Christel House as a child. "The teachers were so kind and welcomed every student with a bright smile. They didn't just educate me, they showed the power of compassion."

SONY PRISCILLA

Christel House India

Class of 2012

Senior College & Careers Program Executive –
Christel House India

For Sony, Christel House became a place that expanded what she believed was possible for her future. What began as a journey towards completing her own education grew into a lifelong purpose. Over the past eight years as a member of the Christel House team, she has helped students discover their strengths and prepare for meaningful careers. Today, as Senior College & Careers Program Executive, she continues to guide young people towards futures of their own.

“When opportunities are used in the right way, true transformation becomes possible.”

KEVIN J

Christel House India

Class 2021

Analyst – Grant Thornton

“Christel House showed me that with support, discipline, and belief in yourself, you can dream beyond what once felt possible.”

Kevin credits some of his most meaningful lessons to the people who believed in him before he fully believed in himself. During his 13-year journey at Christel House, the encouragement and guidance he received from teachers and mentors helped him recognize his potential. Today, After pursuing B.Com in Tourism, Kevin currently works as an Analyst at Grant Thornton while also pursuing an MBA twinning program through distance learning, continuing to invest in his future and personal growth.

A WORLD WHERE POVERTY DOES NOT LIMIT POTENTIAL

- CHRISTEL HOUSE VISION

For 25 years, Christel House has been redefining what's possible for children from under-resourced communities. Now, we're scaling our impact and plan to open 4 new Schools across India by 2035 deepening the impact further across the country.

This growth carries forward our Founder Christel DeHaan's belief that a child's destiny should never be defined by poverty. She envisioned Christel House schools wherever children need both opportunity and unwavering support.

As we expand, we remain anchored in the model that has proven effective for nearly three decades – strong academics, comprehensive care, and long-term commitment so more students, in more communities, can move confidently from classrooms to life.
